The Atlas MultiTrip plan from MIS Group, a member of Tokio Marine HCC, is with you almost anywhere you may travel internationally for vacation, business, visits with family, sports adventures or other pursuits. It covers multiple trips up to 30 or 45 days in length.

# Why Choose Atlas MultiTrip™?

---

Whether traveling for business or pleasure, international travel should be a fulfilling experience. However, complications such as natural disasters, illnesses, and injuries can arise. While we may do everything possible to guard against it, sometimes the unexpected still occurs. Fortunately, MIS Group is here to help if it does.

Atlas MultiTrip, with coverage such as inpatient and outpatient medical expenses, emergency medical evacuation, accidental death and dismemberment, and lost checked baggage, provides peace of mind for frequent international travelers.

## **I have medical insurance in my home country; do I need multi-trip medical insurance?**

Many times the primary medical insurance in your home country will not cover you while traveling abroad and often will not provide essential services in the event of an illness or injury. Atlas MultiTrip provides important benefits such as translation assistance during treatment, doctor and hospital referrals, and assistance replacing lost prescriptions. Coverage applies to multiple trips up to 30 or 45 days in length (as elected) during the 364-day contract period.

Medical expenses can be very costly while abroad. Past members have encountered more than \$100,000 in expenses for an emergency medical evacuation. At \$200 for a 364-day Atlas MultiTrip policy (\$250 deductible, \$1 million maximum), can you afford not to have coverage? That's just 55 cents a day.

# What's Covered by Atlas MultiTrip™?

## International Coverage

### Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC- MIS Group is experienced in arranging Emergency Medical Evacuations. Atlas MultiTrip will cover the necessary expenses to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas MultiTrip will also cover the transportation, lodging, and meal costs for a relative to join you after an emergency medical evacuation.

### Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas MultiTrip will arrange for and cover the costs associated with the repatriation of your remains.

### Political Evacuation

If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, Atlas MultiTrip will coordinate your alternate departure arrangements from that country and cover the associated costs.

### Trip Interruption

One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas MultiTrip will cover the cost of a one-way, economy class ticket to the airport nearest your home.

### Natural Disaster Benefit

Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip, causing you to become displaced from your accommodations, Atlas MultiTrip will provide relief of a maximum of \$100 a day for 5 days to help cover the costs of alternative accommodations.

### Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas MultiTrip will provide \$100 for each night you spend in the hospital.

### Acute Onset of Pre-Existing Conditions

If younger than 70, you may be covered up to the medical coverage maximum for eligible medical expenses for an acute onset of a pre-existing condition. An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning either in the form of physician recommendations or symptoms. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence. Chronic and congenital conditions are excluded from coverage.

### Hospitalization & Outpatient Treatment

If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

### Sports Coverage

Atlas MultiTrip includes coverage for eligible injuries and illnesses that could occur while participating in many popular vacation sports- skiing, snowboarding, snorkeling, water skiing, and others- at no additional cost. Certain extreme sports are excluded from coverage.

### **Terrorism**

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country you're visiting is NOT under a travel advisory, Atlas Travel offers coverage for medical expenses resulting from those acts.

### **Crisis Response**

Atlas Travel offers up to \$10,000 (or up to \$100,000 if additional coverage is selected) to offset costs associated with kidnapping, such as ransom, crisis response expenses, and loss of personal belongings. This benefit includes access to the services of Unity Crisis Group for advice, coordination with law enforcement, and negotiations during a kidnapping.

### **Personal Liability**

Atlas Travel offers up to \$10,000 (or up to \$100,000 if additional coverage is selected) to offset the following types of court-entered eligible judgments or approved settlements incurred by the member.
